

THE ART OF NAVIGATING INTO THE FUTURE

Made in Italy Day Cruise Boats designed to live the sea with style and uncompromising comfort.

The constant research on the nautical sector intercepted the needs, among some owners, for a type of boat with aesthetic and technical characteristics not yet available on the market. This spirit has led Levanzo 25 to be nominated for the 2024 European Power Boat of the Year.

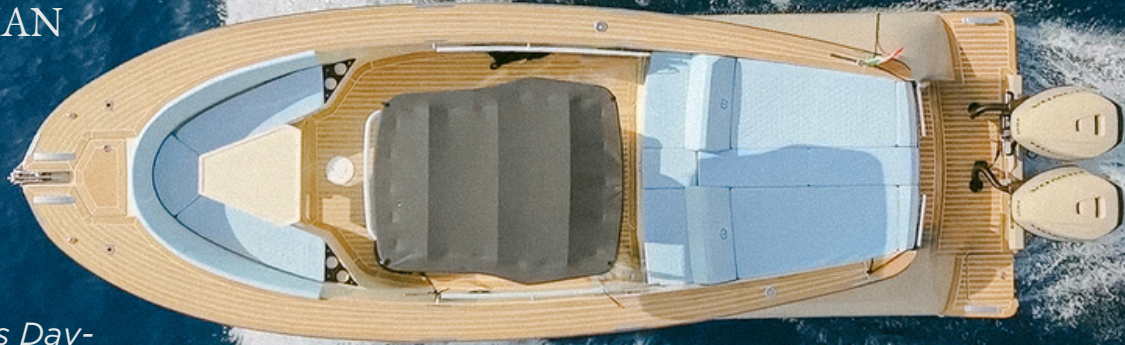

Harmonious design, advanced technologies, high-level performance and customization are the elements that characterize each model.

Thanks to competence, passion and innovative ideas, the Lilybaeum boatyard is now capable of producing exclusive pleasure crafts.

Prices starting from €85 000

“THE BEAUTY OF
THE ITALIAN
SPIRIT”

The luxurious Day-Boat that combines performance and robustness of a “Fisherman”, with the elegance and comfort of a cruising yacht.

LEVANZO 25

Nominated for the 2024 European Powerboat Award (category up to 8 m)

The design team has created a high performance and technological product that stands out from the crowd thanks to its truly exclusive appearance.

LEVANZO 25 gives amazing spaces to enjoy unforgettable days at sea...in just 25 feet. It's special full-open deck, the result of a project whereby painstaking attention has been given to every single detail, make it compact and elegant.

The «V» deep shape guarantees an extraordinary stability and maneuverability.

The distinguishing high-flared bow and the lines of the hull allow you to navigate under difficult conditions in complete safety. High sides provide excellent stability and a perfect dry deck even in rough waters.

- Length: 7.9m
- BMAX: 2.55m
- Draft: 0.40m
- Water tank: 80l
- Fuel tank: 347l
- Passengers: 8-10
- Engine: 1/2 Outboards

“THE PERFECT
FUSION OF STYLE AND
FUNCTION”

The luxurious Day-Boat that combines performance and robustness of a “Fisherman”, with the elegance and comfort of a cruising yacht.

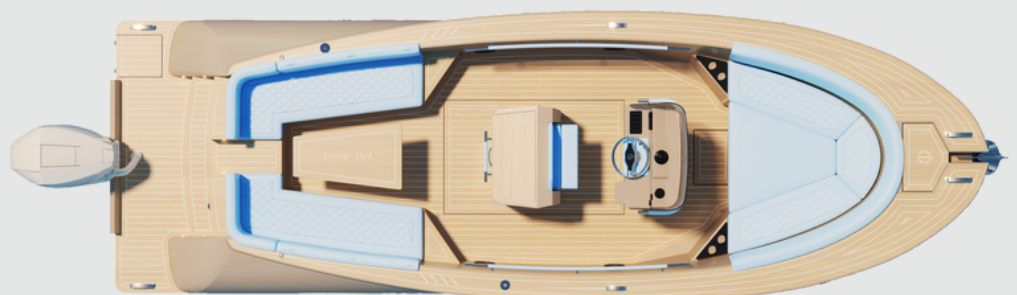

LEVANZO 25 LOUNGEDECK

Beneath the refined appearance of the Levanzo 25 “Lounge Deck” lies a heart of cutting-edge power and performance. The characteristic flared bow and hull lines allow this model to navigate rough seas, ensuring a dry deck for the crew and excellent stability. The navigation experience is further enhanced by the deep “V” hull with a 22° deadrise, providing impeccable agility and maneuverability.

Every centimeter of this boat is crafted with artisanal dedication. From the carefully selected deck components made of quality materials to the thoughtfully chosen design details, each element harmoniously blends to create an environment of authentic prestige

The careful balance between style and substance is reflected in the new spacious stern “dINETTE.” This area comfortably accommodates 6 passengers, offering them a perfect space to converse, relax, and spend unforgettable moments with friends and family.

- Length: 7.9m
- BMAX: 2.55m
- Draft: 0.40m
- Water tank: 80l
- Fuel tank: 347l
- Passengers: 8-10

“ THE PERFECT SYNTHESIS
OF A DAY-CRUISER ”

An authentic handmade product that revolutionizes the concept of Fisherman yacht, mixing the high performance and sporting skills with the comfort and beauty of the unmistakable Italian design.

LIPARI 31

The highest levels of precision and technical field are applied to every construction and design aspect of LIPARI31.

The ideal compromise between high and flared bow and 22 ° stern deadrise guarantees excellent navigation skills, allowing you to navigate in adverse sea conditions and guaranteeing guests on board a cruise in total comfort, relaxation and safety.

LIPIARI 31 provides passengers with the highest level of comfort and elegance in its redesigned deck. Spacious and cosy environments in best quality materials, to dream, relax and feel the sea.

The spaces below the deck are maximized and designed to offer a generous bathroom with full-height shower, toilet and changing room as a single space, comfortable, refined and welcoming.

- Length: 9.6m
- BMAX: 3.0m
- Draft: 0.60m
- Water tank: 140l
- Fuel tank: 450l
- Passengers: 10-12
